

## **UX Designer**

We are currently recruiting a UX designer to join our design team.

Reporting to the Design Manager, the successful candidate will work with instructional designers, graphic designers & web application developers within our existing talented team on varied client projects including:

- learning portals
- eLearning programmes
- application user interfaces
- product simulations
- game-based learning applications

### **Essential Criteria:**

- IT related degree
- Minimum 2 years' experience in UX design.
- Proficient understanding of UX methodologies.
- Experience facilitating user testing sessions, user interviews and focus groups.
- Experience creating wireframes, prototypes, personas and journey maps.
- Experience using research artefacts to create production-ready designs.
- Strong communication and presentation skills.

### **Desirable Criteria:**

- Experience of working in an Agile delivery team (SCRUM or Kanban).
- Basic understanding of front-end technologies.
- Basic understanding of mobile user experience best practice.

**Location:** Belfast

**Salary:** Negotiable, depending upon experience.

As well as competitive salary we offer continuous professional development opportunities and a range of other benefits including a contributory pension scheme and health plan.

To apply for this role, please email your CV to [info@aurionlearning.com](mailto:info@aurionlearning.com)
